The Lane Vineyard Block Series show true varietal character and the influence of the terroir of The Lane Vineyard. Block numbers indicate the patch within the vineyard where the fruit is grown, as do the "Google Earth" coordinates on each label.

Minimum intervention winemaking allows the vineyard to do the talking.

The Block Series are stylish, fresh, fruit driven wines with a true sense of place

Conceived in France and created in the Adelaide Hills, The Lane wines are neither European nor Australian in style, rather the best of both worlds. These wines have the structure and finesse of Europe's best, complimented by intense fine fruit flavours and spice, a product of Australian sunlight and the terroir of The Lane.
